

Exhibit A-3 - Relationship Disclosure

In re: LTHM Houston – Operations, LLC.
U.S.B.C. Southern District of Texas, Houston Division
Case No. 14-33899

In connection with the proposed retention of The Claro Group, LLC (“Claro”) as accountant, forensic accountant, financial advisor and consultant to the Chapter 11 trustee in this case, Claro has been provided a list of the Debtor's creditors and other persons identified as parties-in-interest in the Debtor's bankruptcy case. Claro's conflict checks are done by searching a computer database for the specific names listed in Exhibit A-2. Claro has not searched the names of any parents, subsidiaries or affiliates of the entities listed in Exhibit A-2, and it is likely that Claro has been engaged by some of these entities in matters unrelated to the Debtor or this bankruptcy. If the database input contains a misspelling, a conflict could potentially be missed. Additionally, due to the magnitude of the aforementioned computer database, many common names (for example, those of common individual surnames, etc.) appear repetitively.

Claro has identified and included in the list below the persons/entities to whom/which Claro currently has a relationship or a connection in matters unrelated to this bankruptcy case.
